

EXHIBIT G
EAGLE POINT CREDIT COMPANY INC.
AUDIT COMMITTEE CHARTER

The board of directors (the “**Board**”) of Eagle Point Credit Company Inc. (together with any successor thereto, the “**Company**”) has determined that the Audit Committee of the Board (the “**Committee**”) shall assist the Board in fulfilling certain of the Board’s oversight responsibilities. This Audit Committee Charter (this “**Charter**”) establishes the governing principles of the Committee.

A. Purpose

The purpose of the Committee is to serve as an independent and objective party to assist the Board in fulfilling its oversight responsibilities for the Company’s accounting and reporting processes and the audits of its financial statements by overseeing and monitoring:

1. The quality and integrity of financial reports and other financial information provided by the Company to governmental bodies or the public and the independent audit thereof;
2. The preparation of the disclosure required by Item 407(d)(3)(i) of Regulation S-K (“**Regulation S-K**”), promulgated under the Securities Act of 1933, as amended (the “**Securities Act**”) and the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”);
3. The Company’s system of internal controls regarding finance, accounting and regulatory compliance;
4. The material aspects of the Company’s accounting and financial reporting process generally;
5. The independence, qualifications and performance of the Company’s independent registered public accounting firm (the “**Independent Accountants**”), including the lead audit partner;
6. The compliance by the Company with legal and regulatory requirements;
7. The performance of the Company’s internal audit function (if any) and the Independent Accountants; and
8. Assist the Board with the determination of the fair value of securities and other assets held by the Company.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section E of this Charter.

B. Scope

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate or prepared in accordance with generally accepted accounting principles (“**GAAP**”). The responsibility to plan and conduct audits is that of the Independent Accountants. In fulfilling their responsibility, the Independent Accountants are ultimately accountable to the Board and the Committee. The Company’s management has the responsibility to determine that the Company’s financial statements are complete and accurate and prepared in accordance with GAAP. It is also not the duty of the Committee to provide assurance of the Company’s compliance with laws and regulations or compliance with the Company’s Rule 17j-1 Code of Ethics, SOX Code of Ethics and Insider Trading Policy. The primary responsibility for these matters also rests with the Company’s management.

In order to fulfill its oversight responsibility, the Committee must be capable of conducting free and open discussions with management, the Independent Accountants, internal auditors (if any), employees and others regarding the quality of the Company’s financial statements and system of internal controls.

C. Membership Requirements

The Committee shall be comprised of three (3) or more directors as determined by the Board, each of whom must:

1. be an independent director in accordance with the requirements of Rule 10A-3 of the Exchange Act applicable to registered investment companies¹;
2. be "financially literate," as such qualification is interpreted by the Board in its business judgement; and
3. have a basic understanding of finance and accounting practices and shall be able to read and understand financial statements. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

The members of the Committee shall meet the requirements of all applicable laws, rules or regulations, in each case, when, as and to the extent applicable to the Company, including the rules of the New York Stock Exchange, LLC ("NYSE") applicable to closed-end management investment companies.

In addition, at least one (1) member of the Committee shall have accounting or related financial management experience, as the Board interprets such qualification in its business judgment. Any member of the Committee who satisfies the definition of an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K will be presumed to have accounting or related financial management expertise.

No member of the Committee may serve simultaneously on the audit committees of more than three (3) public companies, unless the Board determines that such simultaneous service would not impair the ability of such member to serve on the Committee effectively. If such a determination is made by the Board, the Company must disclose such determination on its website or in its annual proxy statement. For purposes of the foregoing, a director who serves on multiple boards in the same fund complex will be counted as serving on one board.

The members of the Committee shall be appointed by the Board, and each member shall serve until his or her resignation or until otherwise determined by the Board. Any vacancy on the Committee shall be filled by majority vote of the Board. No member of the Committee shall be removed except by majority vote of the Board. Unless a Chairman is elected by the Board, the members of the Committee may designate a Chairman by majority vote of the full Committee.

D. Meetings and Procedures

The Committee shall meet at least four (4) times each year, or more frequently as circumstances require. The Chairman of the Committee may call a Committee meeting whenever deemed necessary and shall be responsible for meeting with the Independent Accountants at their request to discuss the Company's interim financial results. The Committee may request any officer or employee of the Company, the Company's outside counsel or Independent Accountants to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Members of the Committee may participate in a meeting by means of a conference telephone or similar communications equipment if all persons participating can hear each other at the same time. Subject to the provisions of the Investment Company Act, participation in a meeting by these means constitutes presence in person at the meeting. Subject to the requirements of the NYSE or any applicable law, any action required or permitted to be taken at a meeting of the Committee may also be taken without a meeting if all members of the Committee consent thereto in writing. The Committee shall keep regular minutes of its meetings and records of decisions taken without a meeting and cause them to be recorded in the Company's minute book.

¹ Rule 10A-3 requires that an independent director not (other than in his or her capacity as a member of the Committee, the Board, or any other Board committee) (i) accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any subsidiary thereof or (ii) be an "interested person" of the Company as defined in section 2(a)(19) of the 1940 Act.

A majority, but not less than two, of the members of the Committee shall be present at any meeting of the Committee in order to constitute a quorum for the transaction of business at such meeting, and the act of a majority present shall be the act of the Committee.

The Committee shall meet separately, and periodically, with management, personnel responsible for the Company's internal audit function and the representatives of the Independent Accountants, and shall invite such members to its meetings as it deems appropriate, to assist in carrying out its duties and responsibilities. However, the Committee shall meet regularly without such persons present.
